Want the celeb secret to healthy, shiny hair? Look no further than your fridge! By meredith grav

seal split ends

- Rub a few drops of coconut oil between your palms, then run your hands through your hair (just avoid the roots).
- Wait 15 minutes for the oil to sink in, then hop in the shower and

with cold water. Next, pour 1 cup apple cider

vinegar (diluted with a little bit of water) over your head, and follow with another cool rinse.

shampoo your hair. Rinse it
